August 2016

Dear Robina,

Thank you very much for the donation amount of £2,575.50, which was raised at the LISB Afternoon Tea Event at Ickworth House. We are very grateful and humbled by your generosity. The support you have given us for older people in Suffolk is very much appreciated.

Suffolk Age UK is an independent charity working with and for older people in Suffolk. Each year it costs over £3m to deliver our services and we generate 55% of our income ourselves from non-statutory sources.

We recently launched our new campaign, There's More To Me, focusing on the importance of recognising the wealth of experience, information and memories of older people in our society. We want to unlock these conversations with older people in our communities and start talking – not only giving us an amazing insight into their life and experiences, but also making them feel valued. To learn more and see our campaign video, please visit www.ageuksuffolk.org.

Through the campaign we are also raising money for our core services including befriending, information and advice and lunch and dementia clubs helping older people feel supported, protected and listened to, both now and in the future. Some of our clients tell us that our services are a lifeline. One attendee at our Forget-Me-Not dementia club told us:

'I know he has absolutely loved coming to the group - singing has always been a huge part of his life. Thank you for providing him with an opportunity to do something he really enjoys and for running the group which makes such a difference to people's lives.'

Once again, on behalf of older people in Suffolk, thank you for your continued support.

Kind regards
